## SIRES IN SERVICE AT ANOKA FARMS

---

**SULTAN STAMP 334974**, sired by Whitehall Sultan 163573, dam Imp. Rachael's Daughter by Daybreak 172751. Sultan Stamp has never been offered for sale. The mating of Whitehall Sultan and Rachael's Daughter was calculated to produce a sire of first rank. We invite particular attention now to the get of this bull for we consider them the equal both in bulls and heifers to the get of Whitehall Sultan. Sultan Stamp won 5 Grand Championships in 1913.

**VILLAGE DENMARK 334459**, roan, calved March 25th, 1910, bred by D. R. Hanna, sire Imp. Villager 295884, out of Lady Margaret (Vol. 52 p. 670) by Imp. Knuckle Duster. This good sire and well-known show bull is one of the most acceptable Shorthorn types of the times. We are using Village Denmark largely on the daughters of Whitehall Sultan. In 1911 Village Denmark won Junior Champion at American Royal Show, Kansas City, and Grand Champion at Missouri State Fair 1913.

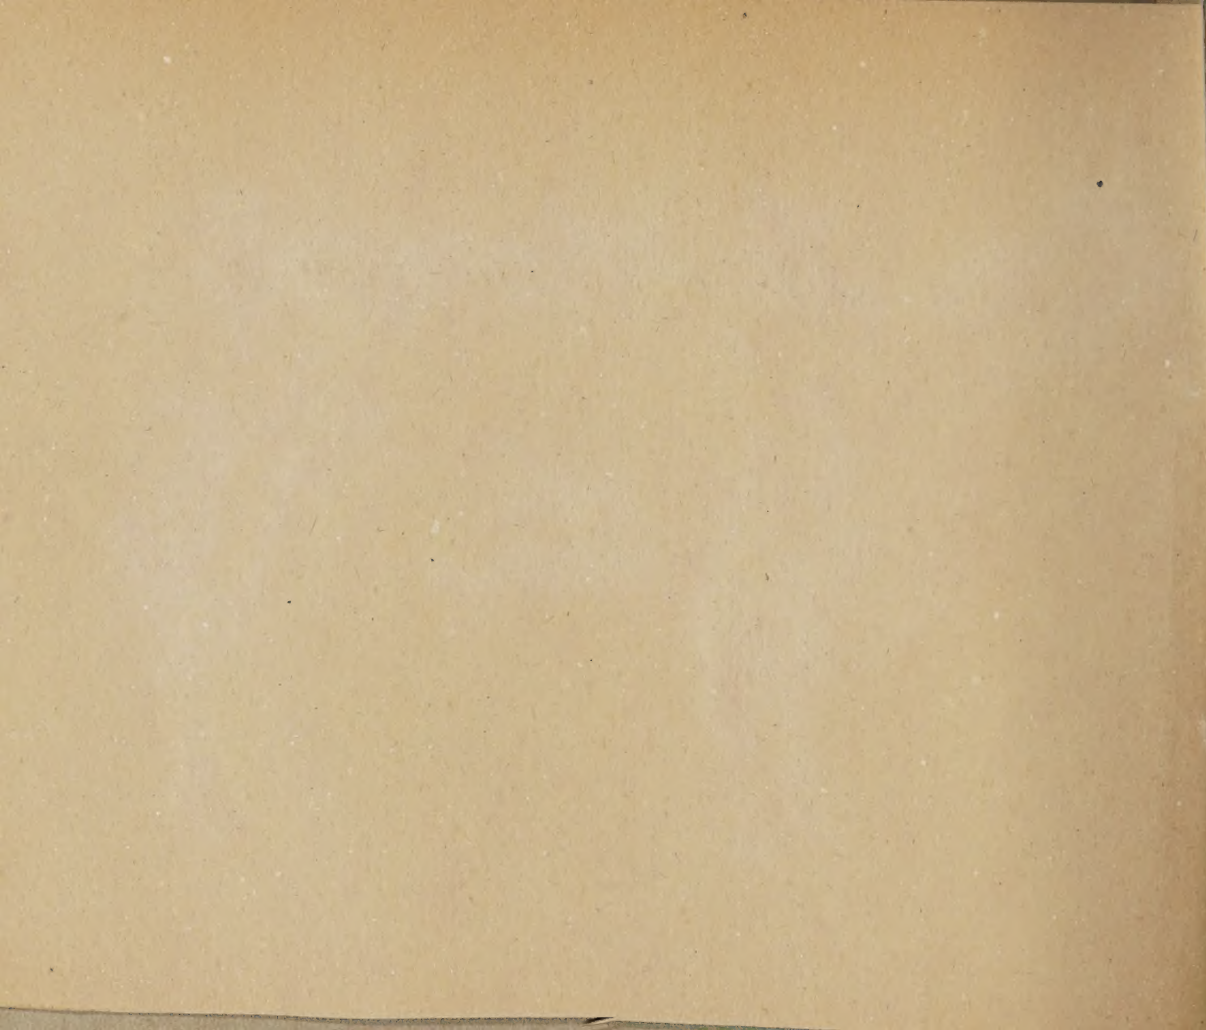

**GLOSTER FASHION 350512**, roan, calved Nov. 18, 1910, sire Leader of Fashion 300790, out of Anoka Gloster 2nd, by Whitehall Marshall 209776. Gloster Fashion has a remarkable show record. As a calf in 1911 he defeated at least once every calf he showed against. As a yearling he was only defeated by one bull in his class, this decision being reversed at the later shows of the season. In 1913 he won his class at every show, winning two Grand Championships, including the National Show at Toronto. We will show some calves from Gloster Fashion this season.

**GOOD FASHION 367597**, roan, calved October 2, 1911, sire Leader of Fashion 300790, by Whitehall Marshall, dam Early Morning, by Manchester, Imp., 157725. Good Fashion comes of the Bruce Fanny B tribe through a high class dam and the noted sire and show bull Leader of Fashion. He has been reserved for service in the herd and has already sired some promising calves.

**WARRANTY**—We believe every animal to be sold in this sale will prove a breeder under proper care but should any bull in this offering prove not a breeder after a reasonable trial period we will replace him to the buyer's satisfaction or refund the purchase price, and further, should any female not prove to be in calf to service given and on further trials fail to get with calf we will replace such animal with another of equal value as near as possible. Cows with calves by side are considered breeders and no further guarantee is given.

**PEDIGREES**—A certificate of registry in the American Shorthorn Herd Book will be furnished for every animal, with the exception of young calves sold with dam and there will be furnished for these a pedigree in the application form, ready for registry.

**TERMS**—Cash or short time note. Any one not personally known to us desiring to give note for any purchase please bring bank reference. All stock will be loaded on cars after sale without trouble to the purchaser. Buyer's risk after bid off.

Sale at Home Farm, located within the city limits of Waukesha; one o'clock, Wednesday, April 1st, 1914.

Attention is called to the Shorthorn Sale to be held the next day at Chicago by Carpenter & Ross, of Mansfield, Ohio; and the preceding day at Wheaton, Ill., by Thos. Stanton.

ANOKA FARMS.

## THE BULL OFFERING

The ten young bulls we catalogue for this sale represent a majority of the best of our last season's crop of bull calves, all grandsons of Whitehall Sultan 163573. When we were selling sons of this greatest Shorthorn sire of modern times, we hardly expected we would ever be able to show grandsons that would measure up to their standard, but we now invite the public's approval on ten as good bulls, in our judgment, as we ever offered in one of our annual sales. Their's is breeding that breeds on. They are of conformation that developes into the show animal.—F. W. HARDING.

FOND MEMORY 320270, Sire Whitehall Sultan 163573, dam Victoria of Hill Farm 8th by Lavender Lad 119937 is proving himself a high class sire. A shorter legged, thicker or better type sire and show bull would be difficult to picture. Fond Memory is full brother to the noted sire of show animals Glenbrook Sultan and has already proved to be his equal as a sire of heifers and has few equals as a sire of bulls of herd-heading qualifications. Fond Memory was first at the International at Chicago as a Junior Calf.

RED LADY, imported has proved one of the best breeders in the herd. She is the dam of Scotch Sultan used for several years and shown with success by Mr. J. A. Kilgaur, Sterling, Ill.

FOND SCOTCHMAN will meet the requirements of the breeder or showman. He is attractive from every standpoint, good color, splendid head and horn, nice style and very well made. We can recommend him for a good place.

WHITE SULTAN 296336, sire Whitehall Sultan 163573, dam Village Maid 2d, by Abbottsford 126696. White Sultan brought \$2,750 at public sale and was one of the most perfect calves ever seen.

PREMIER 280263 by Imp. Choice Goods 186802, dam Lad's Goldie, by the Lad for Me 140618, out of Imp. Goldie 44, by Spicy Robin; Premier won 1st and Junior Champion at the Iowa State Fair and sold for \$6,000.

WHITE SULTAN was 1st or 2d at seven shows the past season, including 2d at Kansas City and Chicago. He is the best prospect we know of for a future show bull. He can scarcely be faulted in his conformation or quality. His dam is a high class cow and he combines the blood of Whitehall Sultan and Choice Goods through two of their best sons.

QUEEN OF SCOTS is now in her 19th year and believed to be in calf again. She has proved to be the most consistent producer of show cattle we ever owned. I do not remember any season for a long time when Queen of Scots 6th has not been represented in our show herd. Anoka Marshall, The Scotchman, Sultan Leader, Gloster Sultana and Duchess of Gloster are a few she has produced. She cost \$600. We have sold from her about \$5,000 worth.

FOND MEMORY 320270, sire Whitehall Sultan 163573, dam Victoria of Hill Farm 8th by Lavender Lad 119937, is proving himself a high class sire. A shorter legged, thicker or better type sire and show bull would be difficult to picture. Fond Memory was first at the International at Chicago as a junior calf.

GLOSTER CHAMPION will be a favorite on sale day and the breeder who gets him will have a good one and a prospective sire and show bull of great value. He is much the same breeding as Gloster Fashion and Gloster Mine and is no doubt as good a bull as either at the same age, which is no uncertain recommendation.

ROB ROY'S LASS, the dam of Sultan Champion, was got by Rob Roy 160172 Imp. and he was of the same family as Merry Hampton. The Buchan Lassies are a good, reliable Scotch family, also well and favorably known in Canada.

SULTAN MINE 320273, sire Whitehall Sultan 163573, dam Lady Zenda, is too well and favorably known on account of show yard winnings to require extended mention at this time. He was a successful show bull as a yearling and a champion as a two, three and four year old. Few bulls have been seen in our shows with as much thickness, smoothness and quality. He was sold for \$2,500.

SULTAN CHAMPION bids fair to fully equip himself for the name which he carries. He is one of the best we have bred and will make someone a good show bull if carried on properly. His dam is a most useful cow of the dual purpose kind.

SULTAN STAMP 334974, sire Whitehall Sultan 163573, dam Imp. Rachael's Daughter 96087, by Daybreak 182751. Sultan Stamp measures up to the best to be obtained in the breed. As a show bull he has few equals. He was several times a first prize winner both in 1912 and 1913 and won five Grand Championships in 1913, including the American Royal at Kansas City. Coming from such a dam as Rachael's Daughter, a winner of first at the International Show at Chicago in the beef and milk class, and sired by Whitehall Sultan, he has back of him all that can be desired from the standpoint of a sire to follow a great sire.

FC11PSE 83493 belonged to Mr. Durno's celebrated Eliza family. His sire was Lord Lynedoch 74900, dam Eliza 9th by Jealous Lad 79118, grand dam Eliza 8th by Alderman 78221.

PRINCE OF ARCHERS 71240 was by Scottish Archer 58893, dam Primrose 3d by Norseman 56233, grand dam Primrose by Cleithro-Way 47604

SULTAN MAYFLOWER is an excellent prospect for the Junior yearling class, for he is one of the best show calves we have ever offered. The way he is put up he is not likely to get out of form. His dam Imp. Mayflower 16th, is one of the best we have imported.

COCK ROBIN 192127, roan of 1900, bred by Mr. C. H. Graham Stirling, Perthshire, Scotland, imported by Messrs. I. M. Forbes & Son, Henry, Illinois. A renowned member of Mr. Marr's Clara tribe, the same family as Spicy Clara, the well known prize-winner. Cock Robin was a successful winner in the show ring as a calf and defeated all of the yearling show bulls in Great Britain in his yearling form; stood second at the International, Chicago, when just released from a three months' quarantine. Sired by Bright Star 180001, a successful prize-winning son of Star of Morning; dam Mavis Clare by Spicy Robin 134607.

CLARA'S HEIR was shown successfully the past season. He is a good red in color and has many of the characteristics of his sire, Fond Memory. Few bulls are closer to the ground, straighter or heavier in their quarters than this grandson of Whitehall Sultan. Linwood Clara is a good cow anywhere.

FOND MEMORY 320270, sire Whitehall Sultan 163573, dam Victoria of Hill Farm 8th by Lavender Lad 119937, is proving himself a high class sire. A shorter legged, thicker or better type sire and show bull would be difficult to picture. Fond Memory is full brother to the noted sire of show animals, Glenbrook Sultan, and has already proved to be his equal as a sire of heifers and has few equals as a sire of bulls of herd-heading qualifications. Fond Memory was first at the International at Chicago, as a Junior calf.

ROYAL KINTORE 281530 was got by Royal Sultan 223948, one of the best sons of Whitehall Sultan out of Lady Kintore by Lord Kintore 160283; Cecelia Queen by King James 127948, tracing to Imp. Cecilla 4th by Gladstone 51801.

IMP. PRINCE IMPERIAL 198768 was imported from Scotland in 1902 by John Isaac of Ontario, got by Scottish Prince 149661, out of Imp. Rose Blossom by Remus 151790, sire of Imp. Choice Goods.

MANDATE by Fond Memory is a good red color, nice head, blocky in build and holds much promise of making a good sire and show bull. His dam, Miss Muller, won first at Winnipeg as a calf, shown by White & Smith.

If our present offering marks any progress then we have accomplished something and we ask you again to be the judge. We do know that here is breeding that is furnishing many good show animals, and with the degree of merit to be found all the way through in this offering you can buy same with assurance that they will breed well for you. As usual we are selling some of our best show animals. Practically all the females are bred to one of our principal herd sires. Bull calves from such mating should develop into high class sires.

His prize winning record is the best for any calf shown in 1908, having won three grand champions and first in his class at seven out of eight shows made. Imp. Shenstone Princess is also the dam of Anoka Broadhooks.

ANOKA KING, sire Whitehall King 222724, dam Carmine 246 by Golden Crown 119412.

WHITEHALL KING 222724, by Whitehall Sultan 163573, dam Queen of the Louans, is the proof of good breeding. He developed into a great show bull, with a record of first and champion prizes rarely if ever equaled by any bull for the same amount of preparation.

ANOKA STRATHALLAN 4th is what you would expect from a succession of show sires. The Strathallans, though not numerous, are usually good individuals. Imp. Rose of Strathallan and her daughters were some of the greatest show cows of their day.

The calves so far from Fond Memory are the equal in promise of any ever bred at Anoka. They have the character and quality now being looked for and so pronounced usually in Whitehall Sultan line of breeding. Mr. A. J. FOND MEMORY 320270, sire Whitehall Sultan 163573, dam Victoria of Hill Farm 8th, by Lavener Lad 119937, is proving himself a high-class sire. A shorter-legged, thicker or better type sire and show bull would be difficult to picture. Fond Memory is full brother to the noted sire of show animals Glenbrook Sultan, and has already proved to be his equal as a sire of heifers and has few equals as a sire of bulls of herd-heading qualifications. Fond Memory was first at the International at Chicago as a Junior calf.

WHITEHALL SULTAN 163573 is generally recognized as one of the best, if not the best, and most valuable Shorthorn sires of recent years. He has been a great winner in the show ring and his get are some of the very best Shorthorns to be found in any country. Whitehall Sultan was sired by Bapton Sultan and has for dam the beautiful cow Bapton Pearl, a champion of both Britain and U. S.

MISSIE SULTANA 2d is a first-class show heifer and should be looked after for this purpose. She can be rated a very satisfactory production through line breeding.

He has never been forced and the development which he has made the past few months is decidedly in the right direction. His dam, Rachael's Daughter, a first prize International winner in the Shorthorn dual purpose class, has proved one of the best we ever owned. Sultan Stamp won first in 1911 at Winnipeg, Brandon, Regina, H. and W. Milwaukee and Springfield. FOND MEMORY 320270. Sire, Whitehall Sultan 163573; dam, Victoria of Hill Farm 8th, by Lavender Lad 119937, is proving himself a high-class sire. He was by Baron Cruickshank 3d 117968, out of that greatest of all cows, Princess Alice, by Field Marshal. Sapho was junior heifer calf in the herd of E. B. Mitchell & Sons last year, winning many valuable prizes, and is a heifer of good individual merit.

SECRECY ANOKA is very low set, thick and smooth, and should develop into a splendid cow. Her dam is fifteen years old and is still breeding. She was shown from a calf to a two-year-old, and was sold at the latter age for \$1,005.00.

SULTAN MINE 320273, sire Whitehall Sultan 162573, dam Lady Zendà 4th, is too well and favorably known on account of show yard winnings to require extended mention at this time. He was a successful show bull as a yearling and a champion as a two, three and four year old. Few bulls have been seen in our shows with as much thickness, smoothness and quality. He was sold for \$2,500.

WHITEHALL KING 222724, recently one of the sires in service in the Anoka herd. Got by Whitehall Sultan 163573, dam Queen of the Louans. Queen of the Louans was purchased by E. S. Kelly at a cost of \$1,705.00, and will be remembered as one of the members of Mr. Kelly's show herd. Whitehall King's record in the show ring of 1908 was unequaled.

ROB ROY 160172 is bred similarly to Merry Hampton, one of the best bulls ever imported.

BUCHAN RED LASS is a deep red in color, very thick and level in her form, and will suit the most critical. Her dam and granddam are good and regular breeders and deep milkers.

SIOUX CHIEF 3027756, got by General Booth; dam, Imp. Honey Queen 2d, by Lord Derby.

STAR OF MORNING, a bull whose obituary in the English Live Stock Journal occupied many columns. He sired something like 700 calves, the average of which was near \$300. He was the sire of the great Pride of Morning, some of whose get have been brought to this country, also the great show cow Imp. Stella. A cross of the "Star" was always a recommendation, as his get are wide-ribbed and deep-fleshed like himself.

FAIR MAID 4th is not only an excellent individual of smooth, thick conformation, but is bred as well as could be desired. She would cost \$1,000 or thereabout in Great Britain, the Orange Blossom tribe being in such demand.

SULTAN STAMP 334974, sire Whitehall Sultan 163573, dam Imp. Rachael's Daughter 96087, by Daybreak 182751. Sultan Stamp measures up to the best to be obtained in the breed. As a show bull he has few equals. He was several times a first prize winner both in 1912 and 1913, and won five Grand Championships in 1913, including the American Royal at Kansas City. Coming from such a dam as Rachael's Daughter, a winner of first at the International Show at Chicago in the beef and milk class, and sired by Whitehall Sultan, he has back of him all that can be desired from the standpoint of sire to follow a great sire.

WHITEHALL SULTAN 163573, a champion himself and is sire of champions that still sire champions. The prepotency of this blood is proved by the number of grandsons and granddaughters winning at the International and many other shows.

SULTAN'S SECRECY has the type, length and thickness that is desirable in a Shorthorn female. We invite critical inspection of the get of Sultan Stamp in this sale.

FOND MEMORY 320270, sire Whitehall Sultan 163573, dam Victoria of Hill Farm 8th, by Lavender Lad 119937, is proving himself a high class sire. A shorter legged, thicker or better type sire and show bull would be difficult to picture. Fond Memory is full brother to the noted sire of show animals, Glenbrook Sultan, and has already proved himself to be his equal as a sire of heifers and has few equals as a sire of bulls of herd-heading qualifications. Fond Memory was first at the International at Chicago as a Junior calf.

IMP. FIRST-IN-THE-RING needs no commend to the public. He was a great sire, and has done much for the breed.

MERRY MASON 150829, bred by that grand old breeder and lover of the best cattle, W. S. Marr, and sired by one of the greatest bulls in Great Britain, William of Orange.

BEAUTY OF ANOKA is one of the best Junior yearlings in the sale and is from a line of breeding that has produced many show cattle in Great Britain. Beatrice herself is the dam of several good ones.

FLOWER CHAMPION 299172 was of the Flower Girl family, sire Village Champion (82538), bred by William Duthie.

ROYAL PRINCE 136367 is a straight bred Golden Drop and he has proved himself a grand sire in the herd of Mr. Campbell in Scotland and the Thistle Ha' herd, where he was used six years. He has now been purchased for use in Mr. Birrell's herd two miles from Thistle Ha'. Few sires have done more for the breed.

BEATRICE ANOKA is one of the choicest heifers; good red color and heavy coat. Beatrice 8th, the dam, is a splendid type and a regular good breeder.

WHITEHALL SULTAN 163573, bred by J. Deane Willis, Bapton Manor, Codford, Wiltshire, England; sire Bapton Sultan, dam Imp. Bapton Pearl, by Count Lavender. Bapton Pearl is remembered by those who saw her as one of the most perfect Shorthorn females ever seen in the English or American show yards, where she was a winner of many grand champion prizes and was sold by Mr. Willis at \$5,000 to come to this country. She was bred to Bapton Sultan; sold about the same time to go to South America. This mating produced Whitehall Sultan. The show yard record of this great sire is still well in the minds of breeders of Shorthorns; also his achievements as a sire.

MINORCA 5th is a strong, thick heifer of excellent pedigree, combining the blood of Choice Goods and Whitehall Sultan.

LEADER OF FASHION 300790, sire Whitehall 209776, dam Imp. Shenstone Princess. His prize-winning record is the best of any calf in 1908, having won three grand champions and first in his class at seven out of eight shows. Through an accident a few months after making this record he was badly crippled, but has produced some of the best calves ever bred at Anoka. His lameness finally disabled him, altogether so that one of the most promising sires of recent years is lost to the breed.

GODWIN 115676, bred by W. A. Harris. Sire Imp. Spartan Hero 77932, dam Imp. Golden Thistle by Roan Gauntlet 35284; Golden Lady by Champion of England 17526. All the above sires and dams are bred by Amos Cruickshank.

PRINCE LAVENDER is a bull with the right kind of head and horns, has a good coat of hair, is very strong in Short-Horn character—a good individual in every way—and is a sire good enough to head the best herd.
